

Help Us Pave the Path to Play

TGS Playground

Tremont PTO is providing the opportunity to purchase engraved bricks to support the Tremont Grade School playground renovation project. The personalized bricks will be placed on the school grounds and all proceeds will go towards the cost of purchasing new equipment, play surface, and playground installation. The renovated playground will be safer and more accessible for all of our preschool through 4th grade students and our Tremont community. Purchase a personalized 4x8 brick today and help pave the way for better play for our students!

- Each 4x8 brick costs \$100
- Personalize with up to 3 lines of text – maximum of 16 characters per line (letters, spaces, symbols/punctuation each count as a character)
- All text will be in capital letters and will be centered, unless noted otherwise

To order, return completed form and check to the Tremont Grade School office or

mail form and check to: Tremont Grade School
